American Film And Society Since In this most recent update to American Film and Society since 1945, the authors expand upon earlier editions by adding films previously neglected, and broaden their analysis of a number of films by discussing how these works capture the mood and values of American society in a particular decade. Interpretation of films can involve direct connections with social and political issues, but often deal with the important subtext of dreams, desires, and displacements that the American public feels. Amazon.com: American Film and Society since 1945, 4th ... One of the few authoritative books about American film and society, Praeger's American Film and Society since 1945 combines accessible, fun-to-read text with a detailed, insightful, and scholarly political and social analysis that thoroughly explores the relationship of American film to society and provides essential historical context. The historical overview provides a "capsule analysis" of both American and Hollywood history for the most recent decade as well as past eras, in which topics ...
