| Aston Martin A new generation of the Virage was
introduced at the 2011 Geneva Motor Show by Aston
Martin. The Virage capitalised on the technology from
the DBS and united it with the comfort and refinement
found in the DB9 and Rapide. The Virage was intended
to sit in the narrow slot between the basic DB9 and the
flagship DBS. Aston Martin announced that the second
generation of the Virage would be discontinued after
18 months of production, as the distinctions between
it, the DB9, and the DBS were ... Aston Martin Virage -

You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are

fairly minor quibbles.
