The academic content is the same as always and includes over 150 hours of multimedia instruction! However, each course is now delivered online as a 12-month subscription (per student). This obviously means no more discs (and, importantly, no more need for expensive disc replacements). Teaching Textbooks Prior to 1990, the performance of a student in precalculus at the University of Washington was not a predictor of success in calculus. For this reason, the mathematics department set out to create a new course with a specific set of goals in mind:

- A review of the essential mathematics needed to succeed in calculus.

Precalculus - University of Washington Simple solutions to hard problems. It's not just you. School can be difficult. Slader teaches you how to learn with step-by-step textbook solutions written by subject matter experts.
