After 1912, political and military instability was common in China and it was initially fought over by different warlords. Shortly thereafter, two political parties or movements began as a solution to the country's problems. Geography, Economy, and Modern

History of China Chinese History in Geographical Perspective by Jeff Kyong-McClain, 9781498510929, available at Book Depository with free delivery worldwide. Chinese History in Geographical Perspective : Jeff Kyong ... Occasionally I come across attempts to explain the broad course of Chinese history in reference to China's geography. These arguments tend to focus on the unified empires of Chinese history. Always contrasting Chinese history with the European experience, they suggest that China's political unity and Europe's perpetual disunity are reflections of the unbroken terrain of the first and the disparate geography of the second. The Scholar's Stage: Geography and Chinese History - The ... Chinese
