imagine education as a window you can look out to see the world and how it works. That way, when you go out into the world, you know what you can expect and you're ready for it. - Shawn, 11th Grade Impact Academy I absolutely love the teachers at Envision. They take the time to actually talk and engage with students. Envision Education Home - Envision Education "Math Family Fun Night is where we prove to people that math can be fun," 9-year-old Noa told a recent classroom visitor. Let's rewind that sentence and play it again! "Math Family Fun Night is where we prove to people that math can be fun." In a student-planned, student-led math night, it's the students who do the proving. Family Math Night | Education
