Epigphany A Health And Fitness At Epiphany, your coach takes on the role of a leader who uses knowledge to motivate others in developing skills in many areas of life; be it health and fitness, emotional or spiritual. As a coach, instilling hope, providing guidance, motivation and encouragement creates a level of accountability that is currently absent in the healthcare arena. The intention is to equip clients with enough knowledge and skill development that they are eventually confident enough to succeed on their own.
