This manual contains solutions to
all the problems in the text. Many of
those are discussion problems; I
have tried to present enough
guidance so that the instructor can
lead a useful discussion of those
problems. Fluid Mechanics for

for Only 19.99, we provide Test
bank, Solutions ... Solution Manual
for Fluid Mechanics for Chemical
Engineers ... De Nevers has a great
writing voice and a good sense of
humor; I laughed without feeling
embarrassed (unlike with my
cheesy, hackneyed Kinetics book).

This book does a good job
explaining the concepts of fluid
mechanics by providing enough
background to understand concepts
without being cluttered with
information. I highly recommend
this book.
