Find items in libraries near you ... Handbook of military law (Computer file, 1918) [WorldCat.org] handbook was required to help the participants identify the various rules that should be applied in all operational situations. Some of these provisions came directly from the law and some could be derived from treaty provisions or from the customary principles. On this premise, the first Handbook on the Law of War for Armed Forces was conceived. There are plenty of genres available and you can search the website by keyword to find a particular book.

Each book has a full description and a direct link to Amazon for the download.
