Ih International Farmall Cub Lo The Farmall Cub or International Cub (or simply "Cub" as it is widely known) was the smallest tractor manufactured by International Harvester (IH) under either the McCormick-Deering, Farmall, or International names from 1947 through 1979 in Louisville, Kentucky. Farmall Cub - Wikipedia IH offered a plethora of Cub-sized implements for the little tractor, as well as lights, a rear PTO and hydraulic Touch Control for handling attachments. "Every day, hundreds of new users are learning that the Farmall Cub is a practical, easy-riding, power-plus tractor that does the work of two or three horses, mules or small garden

Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).
