Then take the two tag ends and pretend you are starting to tie

your shoelace (the 1st part, before you make the loops). Tighten it up. This seems to be plenty strong, but just to make sure, tie the new yarn tag to the new ball. Testing this, a worsted-weight yarn will snap near the knot but the knot just gets tighter. The Magic Knot or Double Knot- The New Way to Join Yarn ... Step 1 Place the two ends of yarn one above the other like shown in the figure below and fold the yarn on the top (green in the picture) over the other (pink). Slide the green end underneath the pink one. Then, lay the green end on top of the green yarn and make a simple knot.
