If you are only looking to gain a little extra power you can get yourself a tuning software upgrade and you will be able to get an extra 40-50hp out of your car with a much faster throttle response. The Volkswagen

Mk4 Obsession: Tuning Guide The Jetta's manual transmission has two plugs for filling and emptying the transmission fluid, located on the side and bottom of the transmission case. If you are simply checking the level of oil in your transmission, start by removing the top filler plug on the side of the transmission. This is the plug that you add fluid to.
