If your books aren't from those
sources, you can still copy them to

your Kindle. To move the ebooks
onto your e-reader, connect it to

your computer and copy the files
over. In most cases, once your

computer identifies the device, it
will appear as another storage

drive. If the ebook is in the PDF
format and you want to read it on

your computer, you'll need to have
a free PDF reader installed on your

computer before you can open and read the book.
