Looking For Ground

Countertransference And Looking for Ground is the first attempt to provide a comprehensive understanding of

countertransference on the basis of a contemporary reappraisal of just such foundational assumptions.

Carnochan begins by reviewing the history of the psychoanalytic encounter and how it has been accompanied by changes in the understanding of

countertransference. Looking for Ground: Countertransference and the Problem of ... Looking for Ground: Countertransference and the Problem of Value in

Psychoanalysis is an important book, not only because it provides a

countertransference, but also because it allows the reader to decide for him/herself their position regarding its value. Although the author is clearly advocating the active utilization of countertransference in psychoanalysis, he successfully provides a critical overview that provides ample space for the reader to choose his/her own ...
