Politics International Relations Notes Constructivism posits that International Relations is a part of sweeping discursive struggles. Meaning implied by position, timings and tradition; focussing on identities and discourses. They look at HOW people arrive at certain thoughts, i.e. identity. Interests are questioned, as to how people arrive at certain interests i.e. climate change. Lecture notes, lectures 1-8, 10 - introduction to ... International Politics. Governments not only interact with the people they rule but also with other governments—to trade, to share ideas, to work together to solve global problems, and to resolve disputes. Political scientists have been analyzing international relations— relations between states—for centuries, but never more so than during the twentieth century, as scholars tried to explain the reasons for and explore the aftermath of World Wars I and II and the Cold War that followed. A theory of international relations is a set of ideas that explains how the international system works. Unlike an ideology, a theory of international relations is (at least in principle) backed up with concrete evidence. The two major theories of international relations are realism and liberalism. International Politics: Theories of International ... Whereas politics among nations is, as Morgenthau says, struggle for power, international relations include political, economic and cultural relations. Harold and Margaret Sprout opine that international relations include all human behavior on one side of a national boundary affecting the human behavior on the other side of the boundary.
