Elite public speaking can transform how you earn respect and work with nearly everyone in your life, including yourself. It improves your self-esteem when you can listen and speak well. It solves your anxiety and frustrations when you can set good expectations and boundaries. You can stop fighting others and start serving their needs. Lead Your Troops Mega Bundle | Rule the Room We focus on the “public” at the expense of the “speaking.” To become effective at public speaking, you must do just the opposite: focus on the speaking and let go of the “public.” Think of it as a conversation between you and the audience. If you can carry on a relaxed conversation with one or two people, you can give a great
