Resource Economics Conrad Wordpress 'Jon Conrad's Resource Economics is a unique and indeed indispensable learning resource. It teaches students to work with sophisticated mathematical models using a hands-on, intuitive approach based on the standard spreadsheet tools that are now pervasive in quantitative analysis. Resource Economics by Jon M. Conrad "Jon Conrad's second edition of Resource Economics is an articulate, well-organized presentation of key applications of intertemporal economics to problems of natural resources. More than a routine update of the first edition, it admirably balances

theoretical rigor and clarity in the presentation of models, with the kinds of institutional discussions that motivate students to think about research questions."
