The Truth In Dentistry The “Truth in Dentistry” was authored to do just that – bring out the truth in dentistry. It is an eye-opening book for both patients and dentists. The goal is to allow the patients the knowledge that they need, as well as to help them select an honest and ethical dentist. The Truth In Dentistry The Truth delineates many people's fears and concerns about the dental office - but does not seek to trivialize, or whitewash. Rather, the author addresses all of these concerns, in a frank, unblinking, and common sense fashion that should certainly open the eyes (and the mouths) of his readers.
